## **Auriga Expands in Australasia with New Partnership**

*Top cash handling solutions provider SprintQuip to grow regional market for Auriga's omnichannel banking and payment software solutions*

**London, October 13<sup>th</sup> 2020**– Auriga, a leading supplier of technological solutions for the omnichannel banking and payments industries, today announced a new partnership with [SprintQuip](#), an Australia-based cash handling specialist to distribute Auriga's omnichannel banking software suite WinWebServer (WWS) throughout the Australasia region.

The WWS software suite is a complete, modular system for the management of omnichannel banking services via mobile, tablets, PCs, kiosks and ATMs and more. Its integral components include WWS ATM and WWS Branch, which contain a predictive feature that helps banks to accurately forecast how much cash is needed in each ATM, and WWS Mobile, which facilitates fast and secure mobile payments. Auriga's innovative suite of solutions assists financial services providers to enhance the customer experience and optimise costs management.

SprintQuip will sell Auriga's WWS software solutions in Singapore, Australia, New Zealand as well as in Papua New Guinea and the Pacific Islands of Fiji, Samoa, Tonga and the Cook Islands.

Thanks to SprintQuip's market presence and expertise, combined with the advanced technological software solution provided by Auriga, the partnership will help organisations in the Australasian banking and finance market deliver greater operational efficiency, improved cost effectiveness and superior customer experience.

Vincenzo Fiore, CEO at Auriga comments: *"We are delighted to be partnering with SprintQuip as part of our next phase of growth in Australasia. SprintQuip's in-depth knowledge of the market in Australia and surrounding areas and specialism in cash handling solutions makes them the ideal partner for the promotion and distribution of the WWS software suite and modules. We look forward to working together to help banks in the region improve efficiency, deliver superior customer experience and improve profitability"*

Louis Madeley, Asia General Manager at SprintQuip *"We are delighted to have been selected to be a partner with Auriga. The WWS software suite offers tremendous capability and value for the Banks in our markets. With the power of WWS, the technical support from Auriga with the local knowledge of SprintQuip, we anticipate*

*helping Banks and Financial institutions improve speed of change in the rapidly evolving payments space”.*
